

Sixth Pacific Urban Forum

Marking 20 years since the first Pacific Urban Forum (PUF) and co-hosted by the Pacific Urban Partnership and Pacific Islands Forum Secretariat, the Sixth PUF will be held in Suva, Fiji Islands, from 5th to 7th September, 2023 at the Pacific Islands Forum Conference Centre.

The 6th PUF provides a platform for inclusive, multi-stakeholder dialogue on the linkages between the social, economic and environmental dimensions of equitable development and what creates a sustainable urban future for the Pacific. The event aims to develop action plans, provide recommendations for urbanization strategies and elicit voluntary commitments from different stakeholders in order to successfully anchor and implement the Pacific New Urban Agenda and promote sustainable urbanisation. It will also showcase innovative solutions and Pacific Regional approaches, enabled by knowledge, new data and technology to build sustainable, safe, resilient and inclusive human settlements in the region.
